

Management Development Programme

Supply Chain Management and Financial Analytics

October 17-19, 2019

Programme Director

Dr Parikshit Charan

Dr M Kannadhasan

Dr Pankaj Singh

Indian Institute of Management Raipur

Introduction

The use of analytics is becoming all pervasive for managerial decision making that encompasses tomorrow's supply chain management and improve day-to-day decision-making in real time. By combining internal financial information and operational data related with supply chain management with external information, supply chain management and its financial analytics may address critical business questions and shape tomorrow's business strategy with unprecedented ease, speed, and accuracy. This MDP amalgamates perspectives of Supply Chain with Financial analytics for the decision making. In this MDP participants will learn about analytical issues in various functions of supply chain along with their financial implications. The participants will learn use of various software for decision making such as Excel, R, Lindo.

Indian Institute of Management Raipur

Understanding the needs to meet the emerging challenges at global level and cherishing the successful history of IIMs, the Government of India set up Indian Institute of Management, Raipur in the year 2010 in Chhattisgarh, one of the youngest and fastest growing states of India.

IIM Raipur has been set up with the aim "To Empower the youth for building a Powerful India". IIM Raipur has set high standards by focusing on a practice oriented learning approach and a contemporary industry- focused curriculum, driven by strong corporate interface.

IIM Raipur is functioning from the state-of-the-art campus in Naya Raipur spread across 200 acres.

IIM Raipur currently offers Fellow Programme in Management (FPM), Post Graduate Programme in Management (PGP), Post-Graduate Programme in Management for Working Executive (PGPMWE) and Executive Education Programmes consist of Management Development Programmes (MDP), Tailor made (In-Company Programmes), Open Programs and Consultancy for Corporates, Public Sector & Government. The academic curriculum is structured to address the needs of the industry and is aligned towards imparting contemporary knowledge to the students and strengthening their skills to prepare them to face the challenges of the global business. Recently, IIM Raipur join the hands with three most reputed global business schools, to enhance the overseas exposure of its

students with the belief that it will help them to assimilate best management practices and understand the importance of cross-culture issues in management.

Right from its inception the institutes focuses on contributing to the growth and development of the Nation, region and society at large. As such it gives importance to courses and managerial trainings that are molded in a way true to the culture and unique requirements of the state and organizations herein. Ethical practices in management, grooming socially responsible leaders for today and tomorrow are also the primary goals of the Institute.

LOCATION

Indian Institute of Management Raipur is situated at Vill- Pota Cheria, Atal Nagar, Raipur. The approximate distance from Railway station to IIM Raipur is 35 km.
