

IIM Raipur's annual fest Equinox 8.0 from today

■ Hosts of students from premier management institutes from across the country are set to join the event for various academic and cultural competitions

■ Staff Reporter

RAIPUR, Mar 8

EQUINOX 8.0, the three-day annual fest of Indian Institute of Management (IIM) Raipur, will commence from Friday.

The event will be a mélange of numerous cultural and business activities. After the stupendous success of the last 7 editions of Equinox, IIM Raipur is looking forward to taking this year event to new heights. It is a chance for IIM Raipur to appreciate rare talents while enjoying some magical performances.

The 8th edition of its flagship

cultural cum business fest has a planned array of amazing events, competitions and entertainment avenues being hosted by the various clubs of IIM Raipur.

Hosts of students from premier management institutes from across the country are set to join the event for various academic and cultural competitions.

The event promises to be a Mega conclave of business acumen and cultural heritage.

The various clubs of the college are gearing up to create the most challenging of competitions which will rack the brains of the best minds of the country on the one hand and will provide unbr-

dled fun to the participants on the other.

In keeping with the need of a Digital India the theme of the fest has been kept to make it a Digital Carnival which aims to step into the future of the country with future leaders in one of the fastest growing states in the country.

Equinox will witness more than 15 business events, fun and frolic filled cultural events and consist of three management conclaves on Entrepreneurship, Operations and Marketing sectors with a host of Industry stalwarts and eminent personalities will be appearing to enrich the students with their experience and their plethora of knowledge.

The Management Conclaves will consist of panel discussions of top management leaders from companies like Godrej, DHL, Titan, HCL, Wipro, Reliance on contemporary business trends.
