

'Daan Utsav' Held At IIM-Raipur

Raipur: To celebrate 'Daan Utsav' from October 2 to 8, Kartavya — the CSR club of Indian Institute of Management, Raipur, (IIM-R)—organised various activities.

A guest lecture session "Vartalaap" provided a platform to the students of IIM-Raipur to learn from corporate leaders and social change agents. Meher Gadekar, chief guest of the session and director of state Social Audit Unit, spoke on MNREGA and how social audit brings in good governance.

Kartavya in association with Goonj, a non-governmental organisation, also organised the cloth donation campaign at the premier institute. The team also visited a nearby middle school at Cheriya village and interacted with the students of the school. The team told the students about the importance of education, substance abuse, and personal health care. As part of the 'A day at IIM Raipur' initiative, children from nearby schools will get a chance to experience the life at IIM-Raipur. TNN
