

Discussion on new age biz tech at IIM-R

TIMES NEWS NETWORK

Raipur: A discussion — “Changing Business Dynamics in the Age of Big Data, Analytics and AI” — was held at IIM-R on Monday.

The event was organised by Anasys — the Analytics and Systems Club of the institute.

Panel members were invited from all across the world — Mukesh Saharan, director Analytics Consulting, BRIDGEi2i Analytics, Kartik Patel, head analytics, LexisNexis Risk Solutions and Dr. Ankit Chaudhary, assistant professor, Department of Computer Science, University of Missouri, USA.

The event help students learn from the experts the tools and algorithm mandatory for good management.
