"The campus construction is the first step in making IIM a world class Institute", said Prof. Bhasker. It is Prof. Bhasker's vision to take IIM Raipur to new heights

of academic excellence and research,"We shall now focus on high quality of academics and enriching the field of management by high impact, world-class

research". Reiterating the Institute's commitment of 'Global outlook with regional focus', Prof. Bhasker informed the audience how IIM Raipur is working towards regional growth and progress.

"We are also committed to contributing towards the growth and development of the state of Chhattisgarh. We understand that a fast growing state requires highly trained managers and with this in mind we have launched a part-time Post-Graduate Programme in Management for Working Executives (PGPMWE)". The PGPMWE program is weekend program aimed at training working managers of the state in the art and science of Management.

ISDSI, the regional arm of Data Science Institute, is an interdisciplinary organization dedicated to the advancement of the science and practice of education. The theme for this year's ISDSI Conference was Decision Making in the Digital Age.
