Raipur, Apr 04: Indian Institute of Management Raipur- one of the top business schools of the Nation will be commencing its Post Graduate Program in Management for Working Executives (PGPMWE) in its state of the art 200 acres campus in Atal Nagar (Naya Raipur) for the batch of 2019-2021 on 6th April, 2019.

The program aims to prepare mid and senior level executives to take up higher responsibilities within their respective organizations without hampering their professional engagement with their organizations.

This twenty-four

months program having a batch strength of around 70 is spread over eight terms of three months each in a manner that classes would be held on alternate weekends. Previously also the

Institute has successfully run such programs.

The program would have participants from many reputed private and public sector enterprises belonging to diverse domains including mining, manage-

ment consulting, softwares, automobiles, hospitality services, healthcare etc. to name a few.

The programme offers a holistic blend of various general management theories, soft skills, and analytical methods supplemented by rural and international immersion over more than 600 hours of contact hours.

The 24 months PGPMWE would have four terms in each of the two years having both foundational and advanced courses. The overall goal of the programme is to broaden core leadership competencies to further enhance the professional growth of participants.
