Raipur, Aug 23: IIM Raipur is all set to host a two day 'Leadership Summit', on 24th and 25th August 2019. The event will be conducted in the Auditorium, IIM Raipur Campus, Naya Raipur. The theme of the summit is 'Future is now'. The event will be marked by the presence of 30 corporate dignitaries and industry stalwarts.

Today's leaders are going to be the architects of tomorrow's future. Technological trends like IoT, Cloud technology have been developing at a breakneck speed since the very moment of their inception, leading to rapid automation.

Undoubtedly, existing

skills will become increasingly redundant with the advent of such technologies and leaders will have to navigate the expectations of their people based on this new landscape of demand and supply of interchangeable skills.

The 3rd Leadership Summit organized by Indian Institute of Management Raipur, is an attempt to create a platform to address these and many other key facets by an array of successful leaders, who have aced and demonstrated exemplary leadership principles.

IIM Raipur's 3rd Leadership Summit aims to build on these themes and provide deep insights on the same with

panel discussions on topics such as Leadership with a Digital Mindset, Rapidly Changing Business Scenario: Implication for Management Graduates, Business Beyond Business - The Importance of Social Implication, Technology - Creating Business while disrupting Business, Managing Risk in an Increasingly Volatile Environment and Smart Factory of the Future: Exploring Impact of Industry 4.0.

The chief guest for the summit will be Sunil Mehta, Managing Director & Chief Executive Officer, Punjab National Bank. Holding a Master's degree in Agronomy, MBA in

Finance and being certified as an Associate of Indian Institute of Bankers (CAIIB), Sunil Mehta is a seasoned banker with over 35 years of rich experience.

It will be a congregation of corporate stalwarts from diverse fields and backgrounds where myriad of ideas will be discussed, arguments and counter arguments will be made. But in the end, both, the audience and the participants, shall return with a much clearer view of the terrain ahead.

Several roads diverge ahead of us, the question is, which one shall we take? Hopefully IIM Raipur Leadership Summit 2019 shall clear some fog and help us find answers.
