The final evaluation of the work will be done by the faculty supervisor(s) on the usual 10 point letter grading system.

7.4.5 Certificate of Approval

A certificate of Approval is to be attached in the final report and the format of the certificate is annexed at Annexure-III.

8. Attendance

IIM Raipur insists on regular and prompt attendance in classes. Attendance will be taken by the instructor directly and the students should be attentive at the time of attendance to get their presence recorded in the attendance register. Unauthorized absence from class/institute will be considered a breach of discipline and the Institute will be free to take appropriate action in such cases, to an extent up to rustication from the Programme & from the Institute.

8.1 Under extra-ordinary circumstances, students may obtain leave of absence under the following rules and procedures:

- a) Prior permission must be obtained from the PGP Chairman for availing of leave. Students going out of station or to their local guardian for overnight stay must inform Student Affairs Department and obtain permission from Chairperson of Students Affairs Committee. If a student is noticed to be out of station or overnight stay without any intimation, disciplinary action will be taken against him/her up to the extent of debarring from appearing in the examinations.
- b) In case of sickness, students should apply for Medical Leave as mentioned in clause 10.

8.2 Each student is expected to attend a minimum of 80% of classes in each course (i.e. in a 1 credit course, 16 classes out of 20). A grade penalty will be imposed on all the students who do not meet the minimum 80% attendance requirements in each course in the following manner:

Attendance of Student	Grade Penalty

More than or equal to 60% but less than 70%	Two grade drops (e.g. from A+ to A-)
More than or equal to 50% but less than 60%	Three grade drops (e.g. from A+ to B+)
Less than 50%	F grade will be awarded

- If a student gets D grade in a particular course and also gets a grade drop due to attendance shortage, 'D' will become as 'F' grade. If a student fails to meet the specified attendance requirement, his/her Grade in the respective course(s) would

be lowered by Chairman PGP in accordance with the grade penalty rules laid down above. It is important to note that students having less than 50% attendance in a course due to any reason including medical problem(s) will be awarded F grade in that course. In other words, minimum 50% attendance is required to be eligible to get a pass grade.

9. Medical Leave

Students are expected to attend scheduled classes, orientation sessions, quizzes and examinations during terms as indicated in the academic calendar. Under medical exigencies, students may obtain leave of absence from Programme, by submitting an application to Chairman-PGP or by sending an email to PGP Office.

In case of sickness, students must produce the medical certificate that should be issued and/or countersigned by the Institute Medical Officer/Doctor (approved) within 2 days from the date of joining. No student shall be allowed to join the Programme unless he/she produce the medical fitness certificate which is duly endorsed by Institute approved Medical Officer/Doctor.

The Medical Officer/Doctor will issue the medical certificates only in case of diagnosed illness where they are convinced that the student is too ill to attend classes. These include hospitalization, communicable diseases and accidental injuries (fractures, deep trauma, etc.).

Before applying to Chairman-PGP for leave, the student should contact his/her faculty members to ensure that he/she is not missing any quizzes or examinations during the leave period.

The PGP Office or concerned faculty will not be responsible for the student losing any segment of evaluation on account of medical leave, or 20% of absence. In the event of a student's sickness during Mid/End term examination, a make-up examination for the missing subjects shall be conducted subject to the approval of PGP Committee. If leave is approved by the PGP Committee for Medical reasons for the examinations, for the make-up Mid / End Term examination the concerned faculty member(s) has full discretion to increase the difficulty level, as the student has effectively had more time to prepare.

10. Academic Performance Evaluation System

The following are the guidelines for academic performance evaluation system:

10.1 The evaluation of academic performance is based on varying combinations of the following components:

- a) Assignments, Quizzes, Class participation etc.
- b) Project Work / Term Paper
- c) Mid-term Examination
- d) Term-end Examination

While components (c) and (d) are mandatory for a full course and contribute to minimum of 50%. **No repeat MID/END Term will be allowed under any circumstances except for medical exigencies or absent due to the death in the immediate family (parents, spouse, siblings, and children) may however, be given an opportunity to repeat course(s) in the next academic session, or appear in special examination if so permitted by the PGP Chairman/Committee. The Institute will decide all such cases on case to case basis at the end of the academic term or session.** The proportionate relative weightage of the other components for a specific course will be at the discretion of the instructor. The evaluation scheme for every course will be conveyed to the students at the beginning of the course along with the course outline by the course instructor. Attendance is must for Mid and End Term

examinations for every student in each term, failing which he/she will be debarred from the registration for next term. Such students are required to continue from that term along with next batch.

Performance evaluation system

A ten point grading scale with corresponding letter grades as following will be used:

Letter grades	A+	A	A-	B+	B	B-	C+	C	C-	D	F
Grade Point	10	9	8	7	6	5	4	3	2	1	0

The Term Grade Point Average (TGPA) will be calculated by computing the sum of grade points in respective courses multiplied by their respective credits, and dividing it by the total credits for all courses in the term.

Similarly, the Cumulative Grade Point Average (CGPA) will be calculated at the end of each **year** as a composite index of the academic performance of the student up to that term in the Programme. Therefore, it means that TGPA is an indicator of student performance **for** a term, whereas CGPA is an indicator of student performance in an academic year.

The Faculty Member will assign a numeric score as well as letter grade to each student, which will be the weighted sum of component scores. PGP committee will moderate the grades of all courses to ensure adherence to the grading guidelines and ensure consistency of grading across sections. The right of moderation would be used by the PGP committee (for upward or downward revision of grades only under exceptional circumstances (i.e., in case of major deviation from the grading guidelines)). Faculty members are required to follow the following guidelines:

Letter grade A ('A-', A, A+) should not exceed 30 percent

Letter grade D & Letter grade C (C-, C, C+) grade should be at least 10 percent.

A student scores less than 30 (absolute scores) will be given letter grade 'F'

10.2 A student is required to achieve the minimum standards as prescribe below:

A. In order to qualify for promotion to the second year, the student's CGPA at the end of the first year must not be less than 3.50. Further, no repeat exam will be conducted for any course except under medical exigencies. Moreover, for continuation in the programme and/or to qualify for promotion, at no stage in the first year shall the student accumulate:

- F grade in more than two courses; or
- D grade in any course if he/she has obtained F grade in two courses; or
- D grade in more than two courses if he/she has obtained F grade in one course; or
- D grade in more than four courses if he/she has not obtained F grade in any course

B. In order to qualify, the student's CGPA at the end of the second year must not be less than 3.50. Moreover, for continuation in the programme and/or to qualify, at no stage in the second year shall the student accumulate:

- F grade in more than one course; or
- D grade in any course if he/she has obtained F grade in one course; or
- D grade in more than two courses

For the purpose of the criteria in A and B, an F or D grade in any course will be treated as a full F or D irrespective of the credit weightage of the course. Failure to achieve the prescribed minimum standards of academic performance will result in the student's termination from the programme.

- 10.3 For students participating in International exchange Programme, the CGPA shall be calculated as follows:
- For Exchange Programme students, the student will study at a foreign university/business school under Student Exchange Programme for one term in the second year. The award of grades will be on the basis of courses taken at IIM Raipur in FIVE Terms and courses taken in the foreign university/business school for one term. CGPA will be calculated for all SIX Terms by considering the evaluation at foreign university (equivalent grade) and GPA of the five terms at IIM Raipur.
- 10.4 If a student fails to qualify any course during the International Student Exchange Programme, then F grade obtained in a course(s) will be considered for the purpose of academic evaluation at IIM Raipur. Separate detailed guidelines for International Exchange Programme are available in the International Exchange Programme Manual.
- 10.5 If a student is terminated from the programme in the first year or the second, he/she may file an appeal to the Director (Chairman, Faculty Council), who in consultation with the Faculty Council may reconsider his/her case for readmission in the next academic year. The decision of the director on such an appeal will be final. However, the student has the provision to appeal only once for each of the two years.
- 10.6 A student who fails to fulfil the conditions for continuation in the Programme or award of diploma may request the PGP Committee for a review. The PGP Committee may consider the cases of those students who fail to meet the conditions specified above on account of extenuating circumstances and take appropriate decision(s), leading to:
- a) The PGP Chairman/Committee may permit a student to repeat course(s), term(s) or year in the next academic year.
 - b) The PGP Chairman/Committee may expel a student from the Programme at any time if his/her conduct is detrimental to the educational process of the Institute.
 - c) A student who is expelled or is required to leave the Institute (in 1st year or 2nd year) on any ground may file an appeal to the Director (Chairman, Faculty Council), who in consultation with the Faculty Council may like to re-consider his/her case and take a decision accordingly. The decision of the Director on such an appeal will be final and binding. However, the student has the provision to appeal only once for each of the two years.
 - d) If a student is not eligible to receive the diploma, the PGP Committee may recommend repetitions of course(s)/term(s)/year in the next academic year (based on the overall academic record of the student). All decision by the PGP committee in such cases would be subject to the approval of the Faculty Council.
 - e) Students who have been awarded an F grade (or accumulate 2 D grades) as well as a CGPA of less than 4.5 at the end of any term in the program will be asked to withdraw from all student committees on campus.
