

# IIM-R launches 2-yr MBA in collaboration with Nulearn ed-tech org

**Raipur:** Indian Institute of Management (IIM) Raipur comes up with Executive Post Graduate Programme in Management (ePGP) in the blended mode in association with Nulearn, one of the leading ed-tech organizations in India.

The programme entails online course delivery along with two mandatory campus immersion modules of five days each. These two campus immersion modules would be at the start and towards the

## IN BLENDED MODE

end of the programme respectively.

On successful completion of the programme, students would be awarded the Master of Business Administration degree by IIM Raipur. The course has been structured meticulously for working professionals and executives to enrich their managerial skills which will help them take their organizations to higher growth trajectories.

The programme focuses on multiple facets like honing leadership skills, developing a global perspective, enriching one's professional network, growing through peer learning, and acquiring an understanding of general management as well as the specialization chosen.

Adhering to the state-of-the-art management curricu-

IIM RAIPUR

lum, the programme enhances the potential of participants by comprehensively covering ongoing trends and techniques in the industry.

IIM Raipur believes in preparing ethical leaders who are not only committed to business and industry but are also socially conscious of their contributions in nation-building and bringing name and fame for the country globally.

The institute is typically abuzz with activities carried out by the student clubs which are now expanding their scope of influence and including luminaries from the corporate world. In today's digital era, it is imperative for working executives to develop a strong professional network, enhance their skills & accelerate their career in the right direction.

The two-year ePGP offers a blend of various general management theories, soft skills, and analytical methods with real-world business scenarios covered through reputed cases. AGENCIES
