RAIPUR

The Indian Institute of Management (IIM), Raipur, has secured the 15th position in the country as per National Institute Ranking Framework (NIRF) 2021 released by the Education Ministry.

IIM Director Prof Bharat Bhaskar said of the standing: "This was possible only because of the continuous focus on high quality management research by the fac-

ulty of IIM Raipur.

"The per faculty research output of IIM Raipur is one of the highest among the new IIMs. We have also done well in placements," he added.
